

ZW SS Location of New Plants: Externalities and Agglomeration Economies

Special Session at 52st European Congress of the Regional Science Association International

CALL FOR PAPERS

We invite you to submit your abstracts and papers for the 52st European Congress of the Regional Association International, to be held in Bratislava from August 21th to August 25th, 2012. At the ERSA Conference we have prepared a Special Session on *Location of New Plants: Externalities and Agglomeration Economies*.

This special session will welcome applied papers in all areas of Industrial Location and Relocation, especially those that provide new insights about methodologies, policy implications and theoretical foundations. Specific topics include the following:

- Spatial inequalities
- Agglomeration economies
- Spatial dependence
- UE enlargement

Paper Submission Procedure

Abstracts and papers (preferably) should be submitted to ERSA (<http://www.ersa.org/ersa-congress/>) by 17th February 2012. Please, we aware that you have to register on-line.

Important dates

- Deadline of submission of abstracts and papers: 17th February
- Deadline for registration at reduced fee: 21st May
- Deadline for registration and payment for being included in the program: 10th June

The abstract submission form has a field in which authors can indicate that their paper is intended for a specific Special Session. Please use the code and exact title of the session (*ZW SS Location of New Plants: Externalities and Agglomeration Economies*).
