

Prize for Young Researchers

Càtedra per al Foment de la Innovació Empresarial

The *Chair for the Promotion of Firm Innovation* was created with Diputació de Tarragona and Universitat Rovira i Virgili. It aims to promote innovation and competitiveness of firms in Tarragona through. It encourages the empirical analyses, workshops and applied research on firm innovation in order to transfer the knowledge to territorial agents.

Prize for Young Researchers

The Prize for Young Researchers on Innovation is established to recognize young researchers whose research contributions expand the collective investigative horizon on innovation.

Eligibility

The following conditions must be met by the nominees to be eligible for the prize.

- (1) The paper must contribute to the research on the field of innovation
- (2) The paper must be unpublished and original

Selection process

The prize winners are selected by the Award Committee composed of the Chair of Firm Innovation and the organizers of the WIPE.

Prize

The prize corresponds to a certificate and a prize of 600 euros (including taxes).

The prize will be given the **13th of February during the farewell.**
